PROFILE

Paid media specialist with 6+ years running Meta and Google Ads for US law firms, a HealthTech SaaS, e-commerce brands and local businesses. Systems analyst by training, so I don't stop at the campaign: I also build what sits around it — conversion tracking, funnels, CRM integrations and automated reporting. The result is fewer handoffs and cleaner data. Open to full-time remote roles in Paid Media and Performance Marketing.

CORE SKILLS

Paid media	Meta Ads (Facebook & Instagram), Google Ads (Search, Display) · strategy, setup, creative and A/B testing, audience testing, budget allocation, optimization
Tracking	Google Tag Manager, GA4, Meta Pixel & Conversions API, pixels, events and UTMs, CallRail
Funnels	Landing pages, ClickFunnels (Classic & 2.0), WhatsApp and Instagram lead funnels, email follow-up sequences
Automation	Make (certified), Zapier, n8n, webhooks, CRM workflows (HubSpot and others), Google Apps Script
Reporting	Automated client reports, interactive HTML performance reports, Google Sheets, Ads Manager
AI	Custom AI tooling (Claude Code, MCP connections to ad platforms) for account analysis, reporting, and creative and copy variations
